

RICHARD C. DILLIHUNT, M.D.

Feb 2, 2010

Dear Claudia

Here is my testimonial. Sorry it is so long. Feel free to edit out anything you wish, to make it conform to the style of your web site. If there are questions let me know.

When I see you, you will be happy with my progress. I would also like to hear more about your book plans. If I can help, I will - although my expertise is far from yours.

I will also discuss the Harvard writers program.

Sincerely
Dick
